## Procedia CIRP

Welcome to the online submission and editorial system for *Procedia CIRP*.

### What is Procedia CIRP?

*Procedia CIRP* is an open access product focusing entirely on publishing high quality proceedings from CIRP conferences, enabling fast dissemination so that conference delegates can publish their papers in a dedicated online issue on ScienceDirect. *Procedia CIRP* is indexed in the EI Compendex database.

*Procedia CIRP* will publish papers from CIRP and CIRP-sponsored conferences. Conferences should be relevant to an international audience and cover timely topics.

# It is very important to choose CIRP CMS 2018 in the type selection

## New Submission

[Frequently Asked Questions](#)

Select Article Type

Enter Title

Please Select an Article Type

Selecting an Article Type is Required for Submission.

To submit your manuscript to this journal, you need to complete all submission steps and approve the PDF that the system creates. Please note that submissions that have not been completed will be removed after 90 days. [\[More\]](#)

**New! Interactive Plots.** This journal allows you to include interactive plots to enrich your online article. If you want to make use of this feature, please upload a CSV (comma-separated values) file as supplementary material at the end of the submission process. For more information and instructions on how to prepare your CSV file, please visit [Interactive Plots](#)

Please select the Article Type of your manuscript from the drop-down menu. The **Guide for Authors** lists the journal's requirements. **It is important that you choose the correct Conference from the drop down list.** To read the **Guide for Authors**, click the link in the banner at the top of each page.

You may also view the [Tutorial for Authors](#) for help with each submission step.
